They definitely understand the needs of the school in terms of its culture and match the teachers to the school environment. They also offer continuity of staff and wherever possible the opportunity to request the same teach back. I most definitely would recommend justteachers to other schools. - *“justteachers are streets ahead of other agencies and I have been extremely satisfied with the service they have provided to our school over the past two years. Liz in the Warrington office actively listens to our requests and goes to great pains to fully understand our needs, unlike other agencies who simply bombard us with teachers. Wherever possibly we always get continuity of cover and this is very important to pupils especially those with EBD who hate changes to their route and it is disastrous if they cant have the same teacher back. I would completely recommend justteachers to other schools.” - Business Manager, Cheshire School.*
